EDITOR'S WRITING.....✍

Dear Brothers and Sisters, greetings to you in the name of Holy Lord Jesus Christ. Lord Jesus Christ is good to all of us. He is always doing good things to us; therefore we should always thank him. I desire to share one important topic with you. The situation in many Christians is that Gospel preaching is becoming lesser and lesser day by day. At that time Lord Jesus Christ was taken up. "And Jesus came and spake unto them saying, all power is given unto me in heaven and in earth. Go ye therefore, and teach all nations, baptizing them Holy Ghost. Teaching them to observe all things whatsoever I have commanded you, and lo I am with you always, even unto the end of the world, Amen". (Mathew 28:18-20) According to the scripture before he was raised into heaven he handed over one responsibility of preaching the Gospel to the church. Today how many of us are faithfully fulfilling our responsibility?. To preach the Gospel one can individually visit the persons, by visiting houses, by visiting hospitals, by visiting jail, by visiting orphanages, conducting Gospel meetings, Distributing pamphlets, distributing spiritual books or through Magazines. In this way Gospel preaching message can be spread throughout. If it is possible you yourself can send the address of your friends, relatives, neighbors and their annual subscription, so that our Voice of God Magazine they will reach their houses. By reading this magazine they will receive salvation, changes in their livings, use of gaining spiritual benefit, various types of deliverances, all these things will take place in their life. By your good deeds you will get the fruit in heaven. Therefore don't delay, Keep your foot one step ahead or forward for this good and noble service. I humbly request you for this noble work.

With greetings

REVELATION

Dear brothers and sisters in Christ, there is no doubt about of us surviving until the second coming of Christ. Therefore we should all seriously understand the truth about our Christ's coming. So in order to be prepared for this Christ's coming I have started writing this particular book. Though I am neither a great author nor a philosopher yet by the grace of God I desire to write this book of Revelation to the best of my knowledge. If you have any suggestion to give about me writing this subject, I am ready to accept your suggestion. God bless you.

Though this Christ's coming is threatening to the worldly persons, yet for our Christian believers, it is a happy and joyful moment. Many are prepared for Jesus Christ's second coming because they have gained lot of knowledge through Gospel preaching for the past many years. Many people reject and neglect this second coming because they are neither cold nor hot. They wish to live in a lukewarm state. "Prepare to meet thy God, O Israel." (Amos 4:12) The second coming of Jesus Christ has brought hope in every Christian believer. "For to him that is joined to all the living there is hope: for a living dog is better than a dead lion." (Ecclesiastes 9:4) What is the use if a believer is rejected during Jesus Christ's second coming although his behavior and

his deeds were worth and good? Therefore a believer should have complete awareness and understanding about his second coming and also prepare himself for the same. In recent days worldly people feel that there is no death because they lead a luxurious life. "My people are destroyed for lack of knowledge: because thou have rejected knowledge, I will also reject thee, that thou shalt be no priest to me: seeing thou hast forgotten the law of thy God, I will also forget thy children." (Hosea 4:6) Coming of Jesus Christ, rapture of church, believers glorious body, type of judgment, type of resurrection, tribulation period, rule of anti-Christ, two witnesses, type of rapture, woman and rupturing son, second coming of Jesus, Armageddon, Gog Magog war,

Administration of thousand years, new heaven and a new earth, these are all precious hope. Therefore we all should have complete knowledge of God's word we our self should be prepared for his coming.

Voice of Orphans

Dukki

Dear voice of orphan's readers,

greetings in the name of Jesus Christ. "My soul shall make her boast in the Lord; the humble shall hear thereof, and be glad. (Psalms 34:2) In Vishwasada Mane Orphanage it is possible to feel the power of God. Today all those persons who are let down by human beings and society are needed because God has brought a lot of change in

their life. The reason for this is our heavenly Father's grace, power, and mercy. We should understand the mighty power and work of God and have faith in him. God performs limitless supernatural miracles which are beyond our thinking. God's grace has brought vast changes in our Vishwasadamane, things which are impossible. Jeremiah 32:27 says "Behold I am the Lord, the God of all the flesh: Is there anything too hard for me? Four years back near Abharana motors this lady Dukki was found by Pastor Sunil and his family. She had wrapped a piece of cloth on her body without blouse. Her hair was full of knots and knits. In her hand she was holding some rubbish paper and from her very young age she suffered from mental illness. She was brought to our

After

Vishwasadamane in this state. One of our staff members gave her a clean hair-cut, gave her nice bath and was made to wear clean clothes. She never used to talk to anyone. She was in the habit of talking and laughing to herself. Refused to brush her teeth and take bath. As the days passed changes started coming in her life because of proper doctor's treatment and spiritual atmosphere. This lady who was

.... when dukhi joined to her family

degraded by the society is now lifted up by our mighty Lord Jesus, and gave her complete deliverance. Now that she has come to her normal life, she is doing a lot of helping work in the kitchen, she does her own work. She was brought to our Vishwasadmane on 14-10-2007, hailing from Orissa Kattak district, language Oria. (Mathew 22:37-39) says "Jesus said unto him, Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind." (1st John 3:18) Says my little children, let us love in word, neither in tongue;

ATTENTION PLEASE

Only those street wandering persons, orphans, homeless persons are being given admission in our *Vishwasada Mane*, and not for persons having family. Kindly don't come with anybody's influence, pressure and don't approach the Vishwasada Mane admission person, any church member or any pastor. Through short message we humbly request all the readers to follow all the above said instructions.

Dukki

but in deed and in truth. After she became normal she regained her memory power and could tell her home address. On July 3rd 2013 our staff members proceeded on their journey to reach her home. When they reached her mother and brothers greeted her happily. They all greeted and embraced her with tears in her eyes. This is the information got by her family members.

Her name is Dukki, age 35, husband name Divangath Giridhar Behar, house Kontapad. Kottak gram Orissa District. 10 years back she was married to Giridhar and had a 14 year old son. Their wedded life was joyful. No shortage of anything in the house. One day her husband and his relative had a fight so he was very much depressed. On account of this he committed suicide by hanging himself with a rope. Because of this shocking news she fell a prey to mental illness. Lot of treatment was done but all in vain. As a result she lost her memory power and could not recognize anybody. One fine day because of her mental illness she disappeared from the house. Mother and brothers searched her high and low. At last they gave a complaint in Kattak Police station. Now she is happy with her mother and children. God Bless you

Voice of Ladies

JOYFUL FAMILY

Dear Sisters, greetings to you in the name of Jesus Christ. You may be a mother or sister, mother-in-law or sister-in-law. Would you like to see happiness, peace, deliverance, blessings in your family? John 10:10 says the thief cometh not, but for steal, to kill and to destroy." In your family Satan will come to steal all your happiness and blessings. Try to keep fast at least once a week and pray so that Satan will not work in your family. God will destroy all Satan's bad work and will build up your family. If your family wants to have fellowship with God, then you have to follow a few hints.

- 1) Who has begun your family life?
- 2) What is the purpose of family life?
- 3) How God works in your family life?

1) Who has begun your family life?

When we go through 1st chapter of Genesis we find 3 different images of earth.

- a) In the beginning God created complete earth.
- b) The earth that lost the order due to Satan's downfall.
- c) What is perfect from God is the earth in which we are living.

When God was creating the earth in order (Genesis chapter 1) we see that every work that God made was good in sight. (Genesis 1:4,10,12,18,21,25,31.

When we see every creation created by God is good in his sight but God was not pleased to see that man should live alone. In Gen 2:18 God says that man will be given an accurate help "And the Lord God caused a deep sleep to fall upon man and he took one of his ribs, and closed up the flesh. The rib which the Lord God has taken from man, made he a woman and brought her unto the man" (Gen 2:21-22). The family before the creation was built up by God the heavenly father. Therefore my dear people when problems arise in your family you must not blame one another saying that you are not the right match for me, maybe by mistake I got married to you or blame any other person. Once one person went for one prayer meeting, after the sermon, servant of God said whoever has any burden or cross bring it near God and I will pray for that. At that moment one gentleman carried his wife and brought her near the dais or pulpit and told the God's servant that my wife is the biggest cross for me (problem) please pray. Many husbands feel that their wives are the biggest cross; wives also feel husbands are the biggest cross, and when problems arise they feel sad about their marriage.

Dear sisters think that suppose you are married without prior idea, then it is

**He performs wonders that can't be fathomed, miracles that can't be counted
(Job 5:9)**

God's decision. Psalms 68:6 says "God setteth the solitary in families; he bringeth out those which are bound with chains. Abraham sent Eleazer one of his senior servants to Mesopotamia where his close friends were residing, to find a match for his son Isaac. When Eleazer informed Laban and his family members about the purpose of his coming then Laban and Bethuel answered and said, the things proceedeth from the Lord; we cannot speak unto thee bad or good. (Gen 24:50) Here Bethuel and Laban are both speaking the same word. This word or act

is not being done because of Abraham or eleazer. It is being done by heavenly Lord. My dear sisters it is not because of any person that you are married. It is because of God's desire that you both have become husband wife.

2) The purpose of your family life:-

When we ask a question to bachelors and spinsters what is your purpose or intention of you getting married, they just reply "we don't know". Some say that they are grown up, some say because of parents pressure or force on them. It is really very sad that those who are already married and those to get married don't know the purpose of married life. We can get the correct answer to this question in the word of God that is the Bible.

May God bless one and all.

Your Loving servant of God
