EDITORS VOICE

My heartily greetings to you all in the name of our Lord Jesus Christ. By our monthly magazine Voice of God you have informed us through phone calls, letters and personally that you have received the spiritual benefit. May God bless you abundantly. This is my humble request to one and all to encourage our ministry to grow and spread far & wide. We see inspiration of many Saints in our Holy Bible. We also should have the same inspiration.

1. Num 23:10 - Balaam desired to die the death of righteous Israelites.
2. Exodus 33:8 - Moses desired to see the glory of God.
3. 1Kings 3:8 -10 Solomon desired to get the Divine wisdom.
4. Isaiah 6:8 - Prophet Isaiah desired to go for the Ministry.
5. John 3:30 - John the Baptist desired that Jesus Christ should increase and he should decrease.
6. Ezra 7:10 – Ezra followed the Word of God and desired to teach the same to others.
7. Psalm 27:4 – David desired to dwell in the house of the Lord all the days of his life.
8. Mathew 20:20-22 – Zebedee's children desired to drink from the cup of Jesus Christ.
9. Luke 10:39:42 – Mary desired to choose the good part at the feet of Jesus Christ.
10. John 11:16 – Didymus Thomas desired to die with Jesus.
11. Phillipians 3:8 – Paul desired to know Jesus more and more.
12. 2 King 2:9-12 – Elisha desired the double portion of the anointing upon him.

Dear God's child what is your desire? God's desire is that His Word should spread everywhere (Mathew 24:14). How are you going to prepare for this? Today with thirst prepare yourself to share and spread the Word of God. You also must have spiritual inspiration. Let people come to know about the voice of God magazine by spreading the Word of God through you. If possible try to help by sending the address of other people and subscription. God Bless You.

REVELATION

Continued from previous magazine issue.

3.) With tears (Acts 20:19): Serving the Lord with all humility and with many tears and temptations which befell me by the lying in wait of the Jews: In the ministry we have to shed many tears in order to win souls. Sometimes souls make us shed tears. We see God's servant shedding tears in the God's presence day and night but those very souls decline and go against the ministry, or work out certain acts and so on. Due to this, God's minister should shed tears. In 2 Timothy 4:9-22 let us concentrate on those persons who stand by with God's servant. There are different people having different nature in every churches.

(2 Timothy 4:9-10) Demas hath forsaken Paul and departed from him because he loved this present world. When persons are in the ministry many will be enthusiastic in the beginning, but half their minds will be in the present world. Satan always tries to deceive by drawing them towards worldly pleasure. **"Do not love the world or anything in the world. If anyone loves the world the love of the Father is not in him. For everything in the world-the cravings of sinful man, the lust of his eyes and the boasting of what he has and does – comes not from the father but from the world. The world and its**

desires pass away, but the man who does the will of God lives forever". (1ST John 2:15-17)

When we see Demas who was with Paul, we feel very sorry for him. In (2 Kings 5:15-26) we see Gehazi the disciple of Prophet Elisha running after the chariot of Naaman to receive money and garments. Thus, in the end because he neglected God's calling he had to suffer from leprosy throughout his life. In Joshua 7 Achan rejected the best land of Canaan because they committed a trespass in the accursed thing of Jericho, as a result the whole family had to die. In (Luke 17:32) the Bible says to remember Lot's wife. She became a pillar of salt because she kept greed on all the properties of Sodom and Gomorrah which was getting destroyed. **"If ye then be risen with Christ, seek those things which are above, where Christ sitteth on the right hand of God. Set your affection on things above, not on things on the earth"** (Colos 3:1-2).

Crescens went to Galatia (2 Timothy 4:10). It is unknown why crescens had been to Galatia. Don't know whether he went knowing the will of God or by Paul's order or permission. Today many servants of God are moving ahead without knowing their aim or purpose just as crescens did. Paul had an aim in his ministry. Now a days, if we ask

The wealth of the wise is their crown, but the folly of fools yields folly.
(Proverbs 14:24)

people in which place are they serving or doing their ministry, their answer will be everywhere. They don't stick to one place but keep on moving from place to place. You should have an ambition in your ministry. You should serve according to the vision. Then only God will use you for His glory.

1. (2nd Timothy 4:10) I think Titus was on his way to Dalmatia. According to God's will the Titus was supposed to be in Dalmatia.

2. (2nd Timothy 4:10) Paul is happily saying, Luke is with me. When God's ministers are going through problems or troubles, many people just leave them and go. Some of them go against these servants of God. (Num 12:1-8); 16:1-21) some mock at God's messengers. (2nd Chronicles 36:16) There are very few people who understand God's messenger's sorrow, pain and difficulties and stand by them. Today churches need people like Luke. Though Luke was a beloved physician, yet he humbled himself and stood by Paul in his ministry (Colos 4:14). In (Exodus 17:8-15) the war between Amalack and Israel took place along the path which leads to Canaan from Egypt. Joshua led his army into the battle field to fight on behalf of the Israel. Joshua climbed on top of the hill along with Moses, Aaron and Hur to fight the battle. Joshua in his ministry worked hard according to his likeness. We are fighting the battle against the army of evil spirit in Galaxy. (Ephes 6:10-12) Moses was a true servant of God.

When Moses raised his hands they faced defeat. When Moses used to feel tired then Aaron and Hur stood by him and supported him to raise his hands. Today such people are needed in the church. Here is a small testimony about one God's servant whose ministry was running smoothly and successfully. When he began his ministry there were 5 members only. As days passed by his ministry started growing. Gradually, people started backing out and disappearing from his ministry. He felt very sad but one person stood by him and strengthened him to carry on. Today through that person our Lord is being glorified. Today if any church believers face any problems, difficulties, ill health and so on they expect their pastors to immediately visit their houses. Pastor should participate in all their happiness or sadness. But if the Pastor is unable to join them or visit them they get annoyed. The sad thing is that nobody realizes the position in which Pastors standby. How many of us think about our Pastor's requirements like finance, food, clothes, health, and their children's education. God's servant has to undergo a lot of struggle and conflicts. None of us think about this. Instead of getting annoyed, we should stand by him and strengthen him to fulfill all his requirements. I really thank God for persons like Luke.

Friends Corner

Anand Kumar Pande
(Krishna Bhagwan)

Dear readers of friends corner, greetings in the name of our Lord Jesus Christ.

Before

After

This was his beginning appearance when he had come into our Vishwaada Mane. He was found on 20th Jan 2009 near Udupi district hospital. He was in a mental state with long hair and beard. He had lost both his legs below the knees. His body was stinking. He was brought to our orphanage by public people.

As soon as he reached our Vishwasada Mane he was in a very shabby. The volunteer in charge of that department gave him a clean

hair-cut, shaved his beard off and gave him a good bath. Then he was given good clothes to wear. After that the in-charge served him food. Later, he was directed to a psychiatrist for a thorough check-up. Then doctor prescribed him medicine and thus the treatment was started. When he was questioned about his name it was said that his name was Krishna Bhagwan and he was from Mathura. But he was unable to inform us about his home

address due to weak memory power.

By the grace of our Lord Jesus Christ, spiritual atmosphere, doctor's treatment, love and care taken by our staff members he came out of his mental trauma and started behaving like a normal person. Gradually, he regained his memory power back and remembered his home address. We sent a letter to the given address on 4th December 2013. One of his close relative who was residing with his family received our letter.

This was the information given by his family members. His parents had three children. His real name is Anand Kumar Pande. He was not in his proper sense when he was brought to us, as a result he gave his name as Krishna Bhagwan. Fourteen years back he left his house due to his mental illness and nobody knew about his whereabouts. His brothers and other relatives searched him high and low. They complained to the police but every effort was in vain. They got tired of searching and gave up. They came to a conclusion that he was dead. But our God is a good God. He brought back hope and happiness in the family. When his family members reached our Vishwasada Mane, they were shocked to see him, because when he left the house his

both legs were okay and normal like other people. But when they saw him with legs amputated below his knees, their eyes were filled with tears. But leaving aside their sorrow, they were overjoyed to see him alive after 14 years. God the Almighty made him rejoin his family and now he is having a joyful time with his family.

DEBORAH CORNER

JOYFUL FAMILY

HUSBAND AND WIFE

Wives

1. Obedience 2.Submission 3.To forget or disappearance 4.Love 5. Understanding 6.Devotion or loyalty 7.Household work 8.Trust 9.Useful or suitable 10.To learn 11.Humbleness 12.Forgiveness.

The important persons in a family are husband and wife. If peace and happiness should be there in the family, there should be fellowship between husband and wife. In most of the families we see that there is a split between husband and wife because of not having oneness or unity in them. They blame each other and lead a worldly family life. If they want to be away from bitterness, unhappiness, pain and so on, then they should turn towards Gods Word and should examine themselves in the brightness of God's Word. If you dedicate your wedded life according to the Word of God, then it is possible for you to have a joyful family life.

1. Obedience: As Jesus Christ is the head of the church, in the same way, husband is the head of his wife (1 corin 11:3) Head denotes authority. Man is the head of the family. We feel sorry to say that today woman is the head of the family. A woman should not do anything without the knowledge of her husband and she should be obedient to her husband. **"Even as Sarah obeyed Abraham, calling him Lord: whose daughters ye are"** (1 Peter 3:6).

Gen 18:1-9/ 18:6) **"And Abraham hastened into the tent unto Sarah, and**

said, make ready quickly three measures of fine meal, knead it and make cake upon the hearth". I think maybe it was afternoon time when Abraham received God's vision. Maybe Sarah was taking a good nap when Abraham entered the tent in search of her. But here we see that obedient Sarah honoured the guest as soon as she was told to do so. My dear sisters what about you? Do you obey your husband as Sarah did? Are you murmuring and complaining like Martha. If you are God's child then you will definitely be obedient to your husband. Sarah in her old age was blessed with a son because of her obedience towards her husband (Gen 18:9-10).

2. Submission: Obedience means obeying what is told. Follow what is told, proving what is acceptable. In the same way submission means wives should accept their husbands as the head of the family. In (1 Peter 3:1-7) we see a beautiful description about submission **"Like wise, ye wives, be in subjection to your own husbands: that, if any obey not the Lord, they also may without the word be won by the conversation of the wives"** (1Peter 3:1). Here Peter says that it is not sufficient if you give your testimony but your way of living should set an example to others. Many wives feel that it is below their dignity to inform their husbands about their deportment. For example about their going out for purchasing, upbringing their children's education, house expense or any

He provided redemption for his people; he ordained his covenant for ever- holy and awesome is his name. (Psalm 111:9)

other money dealing with others and so on. Wives don't share their decision taken with their husbands. They take an upper hand and do everything on their own, resulting in lack of peace and joy in the house. Some of the wives don't respect their husbands. My dear sisters whatever you are doing or wherever you are going bring it to the notice of your husbands and before taking any decision on your own, discuss the matter or leave everything to your husband to decide since he is the head of the family.

One day a brother approached my husband and sorrowfully narrated his story. It seems he was working abroad for the past many years. Whatever he earned, he sent it to his wife and children. After some time he lost his job and had to come back to his hometown. It was shocking to hear that neither his wife did bothered him nor respected him. Even his children did not respect him. All his earnings were deposited in his wife's bank account. He became penniless. Due to this he was very depressed that he wanted to either run away or commit suicide. Maybe many husbands are grieved by their wives. My dear sisters, submit yourselves to your husbands, honour and respect him, train your children to respect elders. You will receive God's blessings in your family life. You may be highly qualified and holding a high rank in the society and your husband may not be that qualified, but still he is your husband the head and the elderly person of the family. If you submit yourself to your husband then God will surely forgive you and bring peace and happiness to your family.

3. To forget: Many ladies after marriage find it difficult to adjust with her husband's family (Psalms 45:10).

a) A wife should forget her parent's house after marriage.

b) Must forget all the past experiences and make adjustment to follow new experiences.

c) Forgive and forget if any problems take place or occur in the family.

Let God Bless You All from Zion
