EDITOR'S WRITING.....✍

My dear brothers and sisters (readers),

Greetings to you in the Holy name of Lord Jesus Christ. We have now already crossed half year of 2014. God is miraculously leading us. We see many promises in the Bible. One of them is Mat 28: 20, **"I am with you always to the end of the age. He will uphold thee with the right hand of His righteousness"**. I wish to say that God is with us and has led us miraculously. In your life when you face the heat of defeat, pain, sorrow and unhappiness you may feel that in spite of God being with us, why all these problems occur? In the olden days the Israelites were tortured by Midianites, because the power of Midians was so oppressive that the Israelites prepared shelters for themselves in mountain clefts, caves and strongholds. Not only these Midians had also captured the Israelites (Judges 6:2-5). In this situation the Israelites cried out to the Lord for help. Judges 6:6, Psalms 46:1 **"God is our refuge and strength, a very present help in trouble"**. Psalms 50:15 says, **"And call upon me in the day of trouble; I will deliver thee and thou shalt glorify me"**. In Judges 6:11, 12, it says, **"And the angel of the Lord appeared unto him and said unto him, the Lord is with thee, thou mighty man of valour. And why this is happening to me"**. Judges 6:13, 14, Today if your situation is like this, if the Lord be with us, why then is all this befallen us? God transformed Gideon's defeat into victory. He became a great warrior. According to Psalms 145:18 **"God will wipe away all your tears and use you as his strong weapon"**.

**Praise the Lord, for the Lord is good; sing praise
to his name, for that is pleasant. (Psalm 135:3)**

REVELATION

Continued from previous magazine issue.

There was scarcity of food and lot of problems arose. The public stood in front of the minister's house and were screaming for food. He asked his secretary why these people were shouting? The secretary told him that the people were asking for bread because there was no bread. He told the secretary that if there was no bread tell them to eat cake and he walked away. When a person eats a cake and grow strong how will he know the hunger, pain and agony, poverty and helpless person's situation in a sorrowful condition? Now when we say Ministry, it means to understand the person's sorrow, pain and tears. All these things will be understood by the person who is handling the Ministry. **"Rejoice with them that do rejoice and weep with them that weep"** (Romans 12:15). In Gulf country once I attended a house prayer. One brother asked me why I had come to Gulf? I cross questioned him and asked him why he had come to the Gulf country? He said that I had come here for job purpose. Then I asked him why he was working. He said that I was working there in order to support himself and his family. Then I told him that I was also going to many places because of two reasons. First the God's Ministry since I have God's calling upon my life, which is also a type of work. Secondly, I have a large family with 175 members. Your family is small with just four members, yet you are working hard in this hot sun. I too have one responsibility, that is my Orphanage

Ministry and it is my responsibility to feed them. When he heard all these, he just lost words and remained speechless. Many people just speak what they like without seeing or hearing properly. The saddest thing is that 90% of the people speaking rubbish are Christian believers. Today in this present world one God's ministers does not tolerate the ministry of another God's minister. He is not being happy but keeps quiet till something spoils another person's name and the ministry. Such kinds of people are also living in this world. They may forget all these easily. But we will not because in our Ministry we are earning and working hard for the upliftment of God's kingdom and serve just one God only. There are some people who are very curious to know about sources from which Pastor's income and their expenses. Apart from such people, there are many inquisitive persons in this world. One day one believer asked a servant of God why Benny Hinn requires all the luxurious amenities like a big bungalow, a car, his own plane etc. At that moment Pastor asked him whether he had given any sort of help to Benny Hinn's Ministry. The believer's answer was no. On hearing this, the Pastor told him that he had no right to speak about him. The believer walked away without saying anything. No one cares about big film actors having their own planes, cars, properties and so on. But if God's minister is poor and wears old clothes and footwear then people find faults in them. They question about their status. They ponder why

Rejoice and be glad, because great is your reward in heaven, for in the same way they persecuted the prophets who were before you. (Matthew 5:12)

he can't take up a good job and earn instead of doing this ministry. In the same way if Pastor comes dressed in a suit then people talk about him. If he starts serving in the ministry, they start speaking about him serving the Lord wearing a suit. Therefore Paul writes about the minister of God saying, **"Not that I speak in respect of want: for I have learned, in whatsoever state I am, therewith to be content. I know how to abound everywhere and in all things I am instructed both to be full and to be hungry, both to abound and to suffer need I can do all things through Christ which strengtheneth me"**. When Paul was in the ministry many a times he had to fast because of certain circumstance he could not even have his proper meal. In spite of all these hardships he managed to complete God's ministry victoriously. **"We are weak, but ye are strong: ye are honorable, but we are despised. Even unto this present hour we both hunger and thirst, and are naked, and are buffeted and have no certain dwelling place. And labor, working with our own hands: being defamed, we entreat: we are made as the fifth of the world, and are the off scouring of all things unto this day"** (1st corinth 4:10-13). Paul was in a very bad state, no proper clothes, no shelter, no hunger, no thirst, but still he took a firm determination that he will go ahead with his ministry. **"In weariness and painfulness, in watching often, in hunger and thirst, in fasting often, in cold and nakedness"** (2nd Corinth 11:27). One sister named Anna served God with fasting and prayers day and night says (Luke 2:37).

2.) We should serve the Lord by following Him In (John 12:26; Number 14:24) we see that Caleb and Joshua followed God heartily. What does

following God mean?

(1 Peter 2:21) says that we should walk in Jesus Christ's footstep. We should walk in the path where Jesus Christ walked and that is meant by following Jesus Christ. If a God's servant does not walk in the path of Jesus Christ, he will not succeed in his ministry.

How did Jesus Christ do his ministry?

- a) His ministry was full of compassion on the people (Mathew 14:14)
- b) His ministry was according to the condition of the people (Mathew 9:35-38)
- c) His ministry was full of love (John 13:11)
- d) His ministry was filled with the anointing of the Holy Spirit (Luke 4:1-14)
- e) His ministry was to understand the difficulties of the people (Mathew 9:35-36)
- f) His ministry was with a goal. (Luke 9:51)
- g) He served with burden.
- h) To serve the Lord with humbleness (Acts 20:19)

Many wish to serve the Lord but the quality of humbleness is not there in their life. (Philip 2:1-11) says how Lord Jesus Christ lowered himself showing humbleness. **"Take my yoke upon you, and learn of me"** (Mathew 11:29). Now a day's many say they too want to serve the Lord but they don't respect another Minister of the Lord. They hurt others feeling by speaking harsh words. **"A soft answer turneth away wrath; but grievous words stir up anger"** (Prov 15:1). To respect one another means we should have the quality of humbleness. If we do not humble ourselves while serving the Lord, then it is not possible to win a soul for the Lord.

REKHA

*Dear readers of friends corner, greetings
in the name of our Lord Jesus Christ.*

Before

After

In this condition she stepped into our Vishwasada Mane: - Rekha was found near C.S.I Church Manipura road on 12th Nov 2007. Her clothes were shabby and she was stinking due to lack of personal hygiene. Pastor Sunil noticed her wandering aimlessly in the street. With the help of a volunteer, Pastor Sunil brought her to our Vishwasada Mane. "Blessed is he that considereth the poor: the Lord will deliver him in time of trouble. The Lord will preserve him, and keep him alive

and he shall be blessed upon the earth: and thou will not deliver him unto the will of his enemies".

After entering our Vishwasada Mane: - As she entered and saw other ladies she got very angry and started beating some of them. Then she started using abusive using all dirty and unwanted words. Since she had lost her memory power she went into mental illness state. Our Volunteer gave her a haircut and a clean bath. She was made to wear neat and

clean clothes. She was fed well and was directed to a psychiatrist for a medical check-up. **"Who remembered us in our low estate: for his mercy endureth for ever"** (Psalm 136:23).

After complete recovery:- With God's grace, spiritual atmosphere,

Doctor's proper treatment combined with and love and care from our volunteers made her come out of her mental illness. She started behaving like a normal person. **"I am the Lord that health thee"** (Exodus 15:26). After 2 years when she was completely cured she was trained in cooking, gardening, preparing artistic item and so on. She also learnt Kannada and Konkani languages. One fine day she recollected her home address and had the desire to go back to her hometown. Many letters were sent to the given address but because of incorrect

address the letter used to come back. Again after some time Rekha was asked for her house address. This time since it was correct the letter reached her relatives house in West Bengal. After 7 years Rekha's brother and some relatives reached our Vishwasada Mane to take her back to home. Now she has re-joined her family members and is living happily there. **"The stone which the builders refused is become the head stone of the corner"**. (Psalm 118:22)

May God bless you abundantly

DEBORAH CORNER

JOYFUL FAMILY

Continued from previous magazine issue.

She was completely blank. She did not know what to do. The lover had cheated him and ran away taking his money. Husband did not know what to do. On one side he regretted for the mistake he committed to his wife and on the other his lover took all the money and ran away. He took a firm decision to commit suicide. At that time one brother met him and gave him Gospel Teaching. For a long time he spent sleepless night and now that he heard the Gospel teaching he had a sound sleep. The very next day he repented for the sins he committed to his wife and asked for forgiveness by writing a letter to her. As soon as she received her husband's letter, she was very happy and called him up asking him to come back home. She also told him that a joyful family was more important than money. When he returned to India he started attending complete Gospel preaching Church. Now there was happiness in that family.

d)Worshipping Lord with a whole family (Genesis 18:19: Joshua 24:15)

First of all, God created male and female in his own image and he desired that the whole family together should worship and glorify him. **"For this cause I bow my knees unto the Father of our Lord Jesus Christ"** (Ephes 3:14). Our heavenly Father is longing for our family worship. That is why He united husband and wife and gave them children so that as a family they will worship Him and fulfill his desire. Sadly to say, in many houses instead of family prayer, there are quarrels, unhappiness,

jealousy and many other problems.

For Divine or Godly peace and happiness to come in your family, we should:

- 1.) Receive salvation
- 2.) Stand as a witness
- 3.) Worship and glorify God with your family.

Today take a firm step that henceforth you will pray and worship God with your family. Don't worry about anybody joining you or not. You just start the prayer with one or two members. Soon the number will increase and after sometime the whole family will join you. One day one lady (a believer) while travelling in the plane refused to have food but was only taking drinks. Another lady sitting next to her on watching everything asked her why she was not having her food. She said that she was fasting so that the families would be destroyed and scattered there would be sickness, problems and confusion within the families and there would be no peace in the family, she also added that Satan would be satisfied and his plans for destructors would succeed. Satan is struggling hard to destroy the families. So we, the God's children should be alert and must destroy all his wicked plans. Therefore, all you dear once must fast and pray along with your family so that Lord Jesus Christ will drive away all the problems and the peace will reign in your family.

My dear sisters, what about you? God desires you to be clean and pure. **"For this is the will of God, even your sanctification, that ye should abstain from fornication: That every one of you should know how to possess his**

He provided redemption for his people; he ordained his covenant for ever- holy and awesome is his name. (Psalm 111:9)

vessel in sanctification and honour: Not in the lust of conscience, even as the Gentiles which know not God: That no man go beyond and defraud his brother in any matter: because that the Lord is the avenger of all such, as we also have forewarned you and testified" (1stThes 4:3-6). My dear, all those who are reading this today must find out for yourself how your wedded life is going on. Husband and wives must examine themselves whether they have deceived each other by keeping an extra marital relationship. **"Thou hast set our iniquities before thee, our secret sins in the light of thy countenance"** (Psalm 90:8) is the message given by God. In case you are still in a filthy relationship with others, right now repent for the entire wrong act, confess all the secrets to God and ask for His forgiveness. God will lift you up from all the curses and bless you.

When David climbed upon the roof of the King's house, he saw a woman named Bath-Sheba washing herself, fell in love with her.

He had sent for her and also lay with her. Then he killed her husband Uriah and made her his wife. Nobody knew about this. But our Heavenly Father noticed everything and sent Prophet Nathan to bring awareness in him. In the same way God is bringing awareness in us through this article. Run and come into the presence of God to hear the voice of God and receive deliverance from all the sins. **"But whose hearkeneth unto me, shall dwell safely and shall be quiet from fear of evil"** (Prov 1:33).

The child born to David died because of sin relation. In the same way your children will bear all the curses because of your sins. Come now itself to the presence of God with the determination and dedicate yourself to the hands of God. May God help you to lead a holy family life. **"For without me ye can do nothing."** (John 15:5)

May God bless one and all.
