REVELATION

Continued from previous magazine issue.

- 1.) Born again (John 3:3)
- 2.) Born of the Spirit (John 3:5)
- 3.) Born of Water (John 3:5) only those who are born of water can become the parts of the body in New Testament in Lord Jesus Christ's church's body parts.

According to 1st Thessalonians 4:13-18 one incident can take place any time. Therefore we should always be prepared in a supreme manner.

There are four Testimonies or witnesses.

1. God the Father's Testimony
2. Lord Jesus Christ's Testimony
3. Angel's Testimony
4. Apostle John's Testimony

In Revelation 1:1-2 "The Revelation of Jesus Christ, which God gave unto him, to shew unto his servants things which must shortly come to pass: and he sent and signified it by his angel unto his servant John". We see that New Testament of Christian church was revealed through Apostle John. In the same way we should understand that God alone can picturize the future of the whole world. (Isaiah 41:4; 43:9-12; 44:6-8) The creator only who created this world can read the future of the world and make us know about it. Our God is a learned scholar. (Romans 11:33) In this world we may have seen many people who can tell us about the future.

But God's word says they are all liars and cheaters. Nobody can tell about the future except our God. Our God can mould the future of the world. When we read the bible the future of many devotees was already made known to them with prior intimation and their living is made to go ahead. Think about Joseph, David, Abraham, Isaac, James, Samuel, Moses many more devotees. God has fulfilled all the things what was spoken. Before he had spoken about Niniveh, Sodom Gomorrah and did exactly according to what he had spoken. Even about Jerusalem he did what was told before. Dear God's children if you read bible and spend more time in the presence of God, then he will surely let you know many things with prior intimation, "Call to me and I will answer you and tell you great and unsearchable things you do not know" (Jeremiah 33:3).

Revelation 1:1-2 According to this verse it is possible for us to know some important occurrence. Our God is a well disciplined and systematic God. If at all things happened in this way then Apostle John would have become a proud man by receiving this Revelation. "And lest I should be exalted above measure through the abundance of the relations, there was given to me a thorn in the flesh; the messenger of Satan to buffet me, lest I

**But his delight is in the law of the Lord and on his law he meditates day and night.
(Psalm 1:2)**

should be exalted above measure. For this thing I be sought the Lord thrice, that it might depart from me, And he said unto me, My grace is sufficient for thee: for my strength is made perfect in weakness. Most gladly therefore will I rather glory in my infirmities, that the power of Christ may rest upon me”.

“Pride goeth before destruction and a haughty spirit before a fall” (Prov 16:18) Because of spiritual pride many have become slow and weak in spiritual life. Many have different gift talents from God, like wisdom of richness, wisdom of worship, wisdom of vision wisdom of revelation, singing songs and so on. Some become proud because of these talents. Because of their prideness they lose God’s blessings. Satan was pushed away because of his arrogance. “By humility and the fear of the Lord are riches and honor and life.”(Prov 22:4) “Humble yourself under the mighty hand of God and he will lift you up at the right time” (1st Peter 5:5-6).

In Rev 1:1-2 there is another subject to note down is that when God the Father called Jesus Christ he said to Jesus Christ, to the angels, angels only to Apostle John. We may bring to our notice many things which are being revealed about the last days. God has given each one of us Ministry according to the calling. In Acts 13:23 it says that we should be prepared to do any work we are called for. In 1st Corinthians 3:5 we see that Ministry is given by God to us. Each one have God’s

calling according to our calling we should do the Ministry. Then God will strongly use us in his Ministry and it is possible for us to lead a blessed Ministry.

1. How to do Ministry: In Luke 2:37 Anna was a widow of about fourscore and four years, who departed not from the temple, but served God with fasting and prayers night and day. Ministry means helping others, to serve others, give to others and work hard for others. By doing this we see in the word of God that there will be more Annas. One sad thing is that many are not aware of what the calling is what the Ministry is. As a result many have a down fall in their life because they do the wrong Ministry what is not given to them. It is impossible for a manager to do the work of a machine, or an accountant doing the work of a waiter. In the same way if we do not have the calling from God, it is not possible for us to do the Ministry, “As every man hath received the gift, even so minister the same one to another as good stewards of the manifold grace of God”. (1 Peter 4:10) Here we see that we have received the gift of grace from God. Some have the gift of fasting prayer. Others have the calling of preaching the Gospel. One day one Christian believer came to me and named two to three churches and told me that they are making fun of your orphanage. He said that they are asking is this type of work called ministry. They are just picking up roadside mental persons

I have come into the world as a light, so that no-one who believes in me should stay in darkness. (John 12:46)

and keeping them in the orphanage. He was really looking very sad when he was narrating this incident to me. I told him listen brother what will people understand talking such rubbish when they don't know the precious value of these poor destitute. They don't have any shelter, no food, poverty and they are being neglected and thrown out from the society. If we don't show mercy on these people, where will they go? They are struggling

for their life and are going through hardship. We are God's children and it is our fore most duty to help such person. Because of their pride they talk all rubbish. They don't have any inner feeling in them. They don't realize the pain and suffering these poor destitute have. That is the reason these people speak so much.

I felt very nice visiting here. All of them take care of each other like their own brothers and sisters. All of them who visited here might be happy to hear that many of them who lost their mental balance and who had nobody to share their feelings have become proper. We all are very thankful for the Home of Faith.

**IN THIS CONDITION THEY STEPPED INTO OUR
VISHWASADA MANE**

Friends Corner

MADHURI

Dear readers of friends corner, greetings in the name of wonderful Lord Jesus Christ.

Madhuri was brought to our Vishwasada mane on 24th Oct 2007. She was wandering aimlessly on the street of Kinnimulky, Udupi. She was sitting in the midst of rubbish garbage and was picking

up left over stinking food and eating. She was wearing dirty, shabby clothes and her body was stinking with odour smell because of not taking bath for months together. Suddenly when she was picking up leftover food from the dust bin and eating Pastor Sunil John D'souza took a glance at her and brought her to our Vishwasada mane along with our staff members.

She had the habit of unwanted laughing. Sometimes with anger she used to abuse everyone. She did not know anything about herself or about her family, because she was going through mental illness. She was given a clean haircut, bath and made to wear clean and neat clothes. The staff in-charge of that section fed her properly and was directed to a Psychiatrist for check-up.

Within a year by the grace of God, and by the love, care, affection given from our staff, proper treatment from the doctor, spiritual atmosphere she was completely cured from her mental trauma. After

Before

After

coming to her normal position, she was given training in gardening, tailoring and other art work. In the kitchen she used to help the cook-in-charge. She was also helping the staff in- charge to take care of other mental persons.

After 8 years on 8th December 2013 she returned to her home town. As the days, months, years passed by, she gradually regained her memory power and was able to trace her home address. We posted letters to the address given by her, but all the letters came back. Then again we posted another letter in 2013 December and that reached her home town Jharkand. Immediately her father called us up and when Madhuri spoke she was full of joy because she heard her father's voice

ungrateful, but this woman after hearing her father's voice, started praising and thanking God (Prov 18:23) says. "The poor useth entreaties; but the rich answereth roughly." According to the word of God she had the hope of seeing her family and her children. As soon as she came to know that her family members are coming to take her back she was very happy. On 8th December 2013 her father and uncle reached Vishwasada mane. She was so happy, that

she showered her full happiness on them.

This is the information given by Madhuri after recovering from her mental illness. One night when everyone was asleep she picked up a small baby and walked away from the house. Because of her mental illness she was roaming with a small baby here and there. One family saw her on the road, took her to their house. They asked her to take bath, gave her clean clothes and food and kept back the baby for themselves. She lost her daughter and her family. Now she is become all alone. There the father who lost his daughter and other relatives searched her for 2 years but not the slightest indication about her. At last they felt that their daughter was no more alive. But poor mother, daily she used to think about her daughter and cry. After 8 years our God reunited Madhuri with her family members. Madhuri's relatives told that she was married and had 3 children. Now Madhuri is happy with her mother, father, and her children and started leading a new life. "Can a woman forget her sucking child, that she should not have compassion on the son of her womb?

.... when Madhuri joined her family

Though, she may forget, yet will I not forget thee." (Isaiah 49:15) There are many persons who are completely cured and are

anxiously waiting on both the heels to rejoin their families. There is a great necessity of your help, co-operation and prayer to get these destitute a proper shelter or rejoin their family members.

May God bless you abundantly

ATTENTION PLEASE

Only those street wandering persons, orphans, homeless persons are being given admission in our *Vishwasada Mane*, and not for persons having family. Kindly don't come with anybody's influence, pressure and don't approach the Vishwasada Mane admission person, any church member or any pastor. Through short message we humbly request all the readers to follow all the above said instructions.

4th Kerith Conference Testimony

In this conference God made a mighty miracle in my life. Since 1995 I was suffering from Asthma but God healed me, spoke to me about my family and gave me the gift of tongues and also a burden to pray. I glorify the name of Lord Jesus Christ through this testimony.

"What is impossible for men is possible with God." (Luke 27:10)

- Anand A, Chickmangalore

I came here to leave my aunt's son for the conference, who had mental illness. But I too stayed here. Later on the sixth day God healed my aunt's son. I too received the anointing of the Holy Spirit. Our neighbors had filed a case against me because of hatred. But God spoke through the prophet that we are going to gain victory in that case. Glory to God.

"Though my father and mother forsake me, the Lord will receive me" (Psalm 27:10)

- Girija, Chickmangalore

I came to this conference mainly with the intention to receive healing and anointing. and I thank God for healing me from thyroid because of which I was facing more problem. And now I have no problem God has completely healed me. Glory to God.

"I am the Lord, who heals you" (Exodus 15:26)

- Geetha A D'souza, Mangalore

Before I came for this prayer I didn't know how to pray and read the Bible. But now I learnt how to pray and read the Bible. And I used to drink a lot of (wine). God helped me to come out of that. Also God delivered me from evil tormentation. Now I am very happy. Glory to Jesus.

"Then you will know the truth, and the truth will set you free" (John 8:32)

- Venkatamma, Arasikere

I had stomach pain and Asthma but God healed me in this conference. I was chewing tobacco also but God helped me to come out of it. Glory to God.

"He sent forth his word and healed them" (Psalm 107:20)

- Venkatappa, Arasikere

I had severe leg pain from past two and half years. I thought of coming to this Kerith Conference many times but was unable to come. But God helped me to come for 4th Kerith Conference and gave me complete healing. Jesus name be glorified.

"By his wounds you have been healed" (1 Peter 2:24)

DEBORAH CORNER

JOYFUL FAMILY

4) To lead a Holy Life (Heb 13:3-4) :- Today so many youngsters are living in a sinful life by doing improper act or adultery and then the conscious start pricking and they feel ashamed of their selves. Many husbands and wives keep impure relation with other lady or man and lead a life full of dirtiness. "And he answered and said unto them. Have ye not read that he who made them at the beginning made them male and female. And said, for this cause shall a man leave father and mother and shall cleave to his wife: and they twain shall be one flesh? Wherefore they are no more twain, but one flesh. What therefore God hath joined together, let not man put asunder." (Mathew 19:4-6) The Bible says man should not separate those persons whom God has united. In married life through marriage God has bound woman and man together. Therefore both should not get separated. Even mother, mother-in-law, father, brother-in-law, sister, brother, niece and so on. Neither of these people can separate them. Every year in India more than ten thousand have the chances of separation. The reason for this separation is that they don't adjust and understand one another's feeling. Some surrender for separation because they don't get the satisfaction of sexual enjoyment. In the word of God Lord

sorrowfully says like this "And did not he make one? Yet had he the residue of the spirit, And wherefore one? That he might seek a godly seed. Therefore take heed to your spirit, and let none deal treacherously against the wife of his youth. For the Lord, the God of Israel saith that he hateth putting away: for one covereth violence with his garment, saith the Lord of hosts; therefore take heed to your spirit that ye deal not treacherously." (Malachi 2:15-16)

a) Breaking marriage is contradictory to God's word.

b) Those whose marriage is broken is equivalent to committing sin of adultery.

c) In your married life don't keep other relationship outside.

a) & b) Breaking marriage is contradictory to God's word (Malachi 2:15-16) "And I say unto you, whosoever shall put away his wife, except it be for fornication, and shall marry another, committeth adultery: and who so marrieth her which is put away both commit adultery." (Mathew 19:9) Mark 10:11; Mathew 5:32 The Bible tells us that there is one and only reason why there is separation in married life. That is because of the sin of adultery. If we ask some of them why this separation takes place, they give different answers like my husband beats me, scolds, harasses, does not come home on time, doubt about husband having an affair with another

**For there is one and one mediator between God and men, the man Christ Jesus.
(1 Timothy 2:5)**

woman and so on. Dear brothers and sisters if you have experienced these situations in your wedded life then this is not the right way and solution for this. The one and only way to bring transformation in your life is to just close your eyes and "PRAY". Things or act that is impossible can be made possible by our Lord and through this there will be changes in your life. I wish to tell you about a family whom I know. She grew up in a God fearing family. Then she fell in love with one unbeliever and got married to him. She was not ready to listen to anybody's advice. In the beginning of her married life, she was very happy. After some time there was confusion between them, doubts, blame, dispute and quarrel all such things started arising. She didn't know what to do. Some advised her to take separation. Some advised her to go to her parent's house. Then this woman realized her mistake of getting married to a man that has no faith and fear of God. She repented for her sin and asked for forgiveness in the presence of God. She tolerates all her husband's harassment and dispute and prayed for his life to be transformed. Months passed by and 3 years but no changes occurred in his life. One day at night he was returning back home on his bike heavily drunk, met with an accident and one of his leg got badly hurt. This woman with great patience, interest and attachment, took great care of her husband in the hospital. He was very much burdened to feel his wife's love and affection towards him; he

repented for his mistake and asked for forgiveness. Then he promised her that henceforth he will love her and lead a new and fresh life. From then onwards he discontinued his drinking habit and started reading the Bible and praying every day. In one prayer meeting God performed great miracle and healed his leg. Now in Christ this family is leading a joyful life. You being God's children should wait in the presence of God with patience and prayer. Lord will act on your family and bring the necessary changes.

If a person after separation gets married again then it is equivalent to committing adultery.

What is your intention of taking a separation? Is it for body enjoyment or seeing another man or woman committing adultery? "But I say unto you, that whosoever shall put away his wife, saving for the cause of fornication, causeth her to commit adultery." (Mathew 5:32) Either you have to pray hard and wait patiently in the presence of God for the transformation of your life, or (if it is due to adultery) after separation you should not mingle with bad companions. God has united both husband and wife into one, to lead a clean and pure wedded life without any spot of disgrace. Therefore you should protect your wedded life and lead a pure and holy life.

c.) In your wedded life don't keep relation with others:

It is really sad to see many wedded couples are leading an unsatisfactory life.

**May the Lord answer you when you are in distress;
may the name of the God of Jacob protect you. (Psalm 20:1)**

“Let thy fountain be blessed: and rejoice with the wife of thy youth.” (Prov 5:18) My husband told me about a family he knew. One brother with good earning was staying abroad. Every month he used to regularly send money to his wife for house expense. Every week he used to speak to his wife and children on the phone. He used to come on a holiday and spend time with his wife and children once a year and returned back. Suddenly one fine day he stopped sending money and calling her. From India the wife started calling him up,

but no proper reply. She started living full of worries and tension. This man (husband) had relation with another married woman. Because of this faulty relation his life was transformed into a drunkard. Once a month or once in two months he used to call up his wife and simply abuse her. When the wife came to know about her husband's affair she was deeply grieved.
