EDITOR'S WRITING.....✍

Dear readers of Dewara Swara, sincere greetings to you in the holy name of our Lord Jesus Christ for receiving blessings from him for the entire year and also for giving us good health and keeping us safe and sound. Because of God's supernatural miracles and everyone's prayer, encouragement and co-operation our ministry is fast progressing. All these miracles are taking place because of God's grace only. We need your prayers, encouragement and co-operation for our ministry to success to come up to the same merit level. I request one and all that those who have not sent their annual subscription, may kindly do so. I also request that all those who have received spiritual blessings through our Voice of God Magazine may please write to us about their experience. The best testimonies will be chosen and it will be published in our next magazine. God's glory will shine through these testimonies. "Whether therefore yet eat, or drink, or whatsoever ye do, do all to the glory of God" (1 corin 10:31). I request you to remember us in your prayers. We will always remember you too in our prayers.

May God Bless you abundantly.

With Greetings

The book itself tells us what revelation is. God has revealed to us that Revelation is an open book. The Greek word 'Apokraptis' means receive publicly to reveal and obtain. During the rule of the Emperor Domitian's, Apostle John shared in prison experience in Patmos Island about his faith in Christ. (Rev 1:9-10) When John

I love the house where you live, O Lord, the place where your glory dwells (Psalm 26:8)

receiving the Revelation, Christian believers because of their faith in Christ had to undergo a lot of torture. During the days of Emperor Nero (A.D 54-68) and Emperor Domitian's (A.D 81-96) rule it was the end days of Apostle John. Veda Pundits believe that he may have written this book in those days. Today we see that because of faith in Christ, Christian's believers have to undergo difficulty conflict, insult and many other various struggles. But in every circumstances believer have victory over all the violence and not fall in any corruption but stand firm and steady and trust in God. We can rule this earth for thousand years with Christ. This book makes us alert and fills us with encouragement. Not only that we have everlasting life with Christ. Now itself we have learnt that when Apostle John was writing this book during the rule of Emperor Domitian's, he was made to expel to Patmos Island. He got this punishment because of his Christian faith. Island of Patmos was dispersed and expanded into 32 miles. It was an uncultivated land region filled with round stones. This fire sea is 50 miles south-west from Epheza. Through Bible we should understand the supreme love God showed towards mankind. From the beginning (Eden garden) God kept fellowship with man, but man because of sin went on keeping distance from holy God. Then God without fate sent his only begotten son Jesus Christ into this world. In this way God established a new fellowship union with man. That is God's new agreement church. According to the promise made just as the groom is waiting with faith and hope for the coming of bride Jesus Christ, in the same way church (congregation) is also waiting for the groom Jesus Christ.

When Lord Jesus Christ will come back again, according to his promise he will lift up only those God's children who were washed with the blood of Jesus. This was the decision taken by the church. To learn the theory at the end of the age and in the theory of Theology there is a chapter known as Eschatology. So in this end of the age the secret before the coming of Jesus Christ is that we can learn the various incidents that take place because of everlasting identification. The word last or end in Kannada and the word to Eschaton in Greek language is being used. This word itself is used in the subject end of the age. From the Greek word (Logos) Eschatos word is obtained. Eschatos means 'The End'. Logos means the explanation of any subject. We can study on the complete subject of last days. Eschatology is the church established with the blood of Jesus Christ. This is the secret disappearance of the devotees during the time of Old Testament. "Which in other ages was not made known unto the sons of men, as it is now revealed unto his holy apostles and prophets by the spirit; That the Gentiles should be fellow heirs, and of the same body, and partakers of his promise in Christ by the Gospel." (Eph 3:5-6) Therefore through Jesus Christ God's church was established. This is really a merciful period. Means for the Israel of Old Testament and Christ's church of New Testament has no near relationship. In the proceedings of God's church in New Testament and Israel in New Testament and if we have proper knowledge about the last days then only it is possible for us to understand God's planning about the last days.

PRABHAKAR

Thou talrest my wanderings: put thou my tears into thy bottle: are they not in thy book? Prabhakar was found on 23-5-2013. He was wandering aimlessly in Udupi

Before

Karavali highway Junction. His hair had grown long with lot of knots and thick and long beard. His body was stinking with odour smell. He was not bothered whether it was hot, cold or rain, he used to just roam on the street sometimes half naked. He was moving here and there. He used to abuse everyone. One day that is on 23rd May 2013 our Vishwasada Mane received a phone call informing us about his whereabouts. Few of our staff members took a vehicle and reached that spot. With great difficulty they had to put him into the vehicle because he was rough, tough and arrogant.

Once he was brought to our Vishwasada Mane first he was given a clean shave and hair cut. Then he

After

was given a clean bath and made to wear clean and fresh clothes. Then he was fed stomach full and directed to a psychiatrist for medical check-up. Doctor prescribed the necessary for medicines and explained to the staff members how to behave with him. The staff member in charge of that department took care of him with love and affection

"The Lord openeth the eyes of the blind: the Lord raiseth them that are bowed down: the Lord loveth the righteous." (Psalms 146:8)

With Doctor's treatment, love, affection and care by our staff members and spiritual atmosphere he was out from his mental illness and behaved just like an ordinary normal person. **"The Lord preserveth the strangers: he relieveth the fatherless and widow: but the way of the wicked he turneth upside down."** (Psalms 146:9) When he was completely O.K he was given training in Bar bending, gardening and masonry. After some months he remembered his home address. With the help of this address Vishwasada Mane staff members at the cost of their vehicle went to Bijapur to reach him to his home

.... when Prabhakar joined to his family

town. It was really a tough job finding his address. Seeing him back home his relatives, friends and village people were very happy. When our staff members reached his home they came to know that his name is Rahut Rai and not Prabhakar. They are in all 8 children; Rahut Rai was the seventh son. He was his mother's pet child. Because of the tension of her son's disappearance she expired just 3 years back. Now Rahut Rai is very happy to rejoin his family members after 8 years lead a new life.

ATTENTION PLEASE

Only those street wandering persons, orphans, homeless persons are being given admission in our *Vishwasada Mane*, and not for persons having family. Kindly don't come with anybody's influence, pressure and don't approach the Vishwasada Mane admission person, any church member or any pastor. Through short message we humbly request all the readers to follow all the above said instructions.

Dear brothers and sisters what if any of your family members were in this situation? In that case what you would have done? About today Vishwasada Mane is feeding, sheltering and protecting them. Today whatever precious help you give is sufficient just to feed for 2 or 3 destitute. If you desire to take part in this Ministry, then you will receive God's blessings.

May God bless you abundantly.

JOYFUL FAMILY

Continued from previous magazine issue.

- a) God has given greatness in family life. (John 2:1-11)
- b) Suitable helper for him. Gen 2:18)
- c) Multiplication of issue(son, daughter((Gen 1:26-28)
- d) To lead a clean and pure life. (Heb 13:3-4)
- e) Serve the Lord with your whole family. (Gen 18:19, Joshua 24:15)

God has given greatness in family life. (John 2:1-11) It is very sad and painful to say nowadays before marriage itself boys and girls keep relation with one another. (Solomon song 2:7, 3:5, 8:4)says before the proper or suitable time don't increase your love affair. Many lose their peace and joy in their life because they are not aware of greatness and importance of marriage. By the grace of God my husband Pastor Sunil has served in many nations. In many places I too have noticed without God's will and wish, so many married couples are still suffering. There is a split up state in family life. Instead of receiving the blessing they carry all the curses and experience the suffering and pain without deliverance. I know of a family (abroad) one female married in India is having a husband and children. That husband is also married to another lady

and having children. Abroad both of them got to know each other and started living together. In the beginning everything went O.K. As days passed by this news spread in India and there was great confusion and destruction in both the families. Children went in the wrong path. At last there was no peace with those two staying abroad and finally they had to be separated. No one was ready to accept them. Since there was no other option she took up a wrong line and became a prostitute. Finally she fell a prey to dreadful disease. This man also became a heavy drunkard. Since he was not wanted by anyone, he too was caught in a dreadful sickness. This lady's end was very frightful. This man came to India and became mental wandering aimlessly on the street. "And have not obeyed the voice of my teachers, nor inclined mine ear to them that instructed me. I was almost in all evil in the midst of the congregation and assembly".(Prov 5:13-14) "For I will declare mine iniquity: I will be sorry for my sin". (Psalms 38:18) "For innumerable evils have compassed me.(Psalms 40:12) Therefore if you must understand and know the greatness of it, and lead a life that God desires according to the word of God.

2. Correct match for assistance (Genesis 2:18)

When you send your Spirit , they are created, and you renew the face of the earth (Psalm 104:30)

In this way man named all the domestic animals, birds in the sky wild animals and every beast. But he could not find an help meet for him.(Gen 2:20) When God was searching an assistance for man, he did not search in birds or beast. But God took one of his ribs and the rib which the Lord God had taken from manmade he a woman and brought her unto the man. What gave you a wife is the right assistance. What God gave you a husband is the right assistance? Don't doubt on this subject. Some time may be wife is more qualified than the husband or husband may be more educated than the wife. In some cases wife has good job, husband doesn't or may be husband has good job, but wife doesn't. Some cases there are differences in spiritual matters or eating habits may differ or there may be differences in spending money. But whatever matches or assistance God has chosen for you, you should accept him or her with love and affection, adjust with one another and lead a joyful family life.

3. Child development: - It is really a very sad thing that now a days people refuse to conceive children because they feel that they will either lose their beauty or happiness. Later on even if they wish to have children, that opportunity will not come back. (Psalms 127:3; Genesis 15:3; 25:21; 30:2; 48:9) These verses say that children are a heritage of the Lord. Some of them when the child is growing in the womb, they go in for abortion and kill

the child. There are many couples who once going for abortion don't conceive child for life long. When they repent and long for want of a child. One day's child abortion and murdering a person of 50 years is same as in God's sight. In Jeremiah 1:5 God tells Jeremiah "Before I formed thee in the belly I knew thee: and before thou camest forth out of the womb I sanctified thee, and I ordained thee a prophet unto the nations". So we should understand that God has plans for everything. Whether the child is in the mother's womb for one day or nine months Gods plan will remains the same. "Thine eyes did see my substance, yet being unperfect: and in thy book all my members were written". (Psalms 139:16) So child development is God's plan. If you have the fear of falling in to sin by the act of abortion then with repentance come in the presence of God and ask for forgiveness. You may have feared and was not able to hold your responsibility because of you bodily comfort and beauty. You may have helped someone with this act of abortion or you may have taken such persons to a doctor to advice. If you have helped anybody in this in this manner that also becomes a sin. God is calling you, run and repent for your sins in the presence of God. God will forgive you for the sins committed for killing the child and he will deliver you from the curses that have come through the result of the sin committed.
